Give generously to them and do so without a grudging heart; then because of this the LORD your God will bless you in all your work and in everything you put your hand to. There will always be poor people in the land. Therefore I command you to be openhanded toward your fellow Israelites who are poor and needy in your land.

Ushers Bearing Gifts – Hurricane Harvey Relief Fund

On November 8, 2017, Eastern Region Director and 2\textsuperscript{nd} National Vice President Brother Charles J. Brown traveled to Houston, Texas to present Walmart Gift Cards to Hurricane Harvey impacted residents. Director Brown was met by Past National President Pauline Young, a Houstonian, to receive the gift cards. Besides the warm reception at the airport, President Young and two fellow Houstonians provided him with a brief tour of the devastated areas. Although most of the water had subsided, water markings on the sides of buildings and bridges were quite visible. Many of the homes in the affected areas had their belongings still piled up on the outside of their structures.

One of the highlights of the visit was the opportunity for Director Brown to visit the Houston City Council Session. At one point during the Session, the Mayor and City Council recognized Director Brown from NUCUAA, and thanked him for presenting gift cards to the residents. In addition to the public recognition, a Citation from Mayor Turner was also provided to Director Brown.

The gift cards were presented in time for an affected child, man, woman, or family to have a more blessed Thanksgiving. A total of $3,851 was donated to the Hurricane Harvey Relief Fund. The Eastern Region had participation from 7 of its 10 States. Thank you members, once again for caring for others!

Eastern Region Outreach To West Virginia Flooded Residents

On Saturday, July 2, 2016, Eastern Region Director Charles J. Brown traveled to White Sulphur Spring, West Virginia, one of the recent flooded communities. The journey was a 4 hour drive each way but the cause was worth the ride. Many homes are inhabitable. Home contents are piled outside of the soon to be molded structures. FEMA was there handing out cleaning supplies, food, and water. Many, many residents were left with only the clothes on their backs.

This town is the home of the Greenbrier Resort (10,000 acres) that annually sponsors The Greenbrier Classic Golf Tournament. The Resort was spared because of its location, canceled one of its tournaments, and had opened a portion of the Resort temporarily to the displaced residents.

With an approved donation of $500 from the Region’s General Fund and the assistance of some members, the Eastern Region was able to present to White Sulphur Spring community WALMART Gift cards totaling $1,000. Special thanks to those individuals who provided the additional assistance.

Attached are pictures of the WALMART Gift Cards given to the Point-of-Contact, the Reverend Matthews Watts of Charleston, WV, Pastor of Grace Bible Church and to Pastors of New Vision Baptist Church and 1st Baptist Church. Both churches are located in White Sulphur Springs, WV. Reverend Watts is helping in the coordination of the relief efforts within the White Sulphur Spring's African-American community as well as others flooded areas of West Virginia.

Visiting the site really reinforces how blessed we are.
